

LPA

Sentiers:

Requests to complete Lasting Power of Attorney (LPA) forms or to perform Mental Capacity Assessments (MCA)

Relatives may request to have LPA forms completed which is non-NHS work. We do not complete these. Please send accuryx "Lasting Power of Attorney". These should not be allocated an appointment or added to the support GP ledger.

Accurix:

Lasting Power of attorney (LPA)

This does not require a doctor to sign the form. In fact, they can be signed by a social worker or a solicitor, OR someone who has known the patient personally for at least two years but is independent. Information on LPA can be found [Lasting Power of Attorney and Deputyship - Information Now](#).

Forms can be found at:

[Lasting power of attorney forms - GOV.UK \(www.gov.uk\)](#)

More information on LPA and the process to complete can be found at:

[Lasting power of attorney for people with dementia | Alzheimer's Society \(alzheimers.org.uk\)](#)

[How do I make a Lasting power of attorney? | Alzheimer's Society \(alzheimers.org.uk\)](#)

Details for the website:

Information for website

Requests to complete Lasting Power of Attorney (LPA) forms.

Requests to complete LPA forms is non-NHS work. Unfortunately, we do not have capacity to do this private work. Please find information below on LPA and how to complete the form. LPA forms do not require a doctor to sign the form. In fact, they can be signed by a social worker or a solicitor, OR someone who has known the patient personally for at least two years but is independent.

Information on LPA can be found:
