

Entry Through Door A (The Front of the Building)

- When you arrive for your appointment, please go to the entrance at the front of the building which is clearly marked with the letter 'A', and press the buzzer next to the door.
- You will be asked if you have any current Covid symptoms before you are able to enter the building.
- On entering the building, please use the hand gel provided and pick up a wipe (this is to wipe your seat once you are called for your appointment).
- We remind you that you must adhere to the 2 metre social distancing guidelines as indicated by the floor markings inside the surgery.
- Please do not arrive too early for your appointment. If you arrive late, we cannot guarantee that you will be seen.
- Please ensure that you use the toilet at home before attending for your appointment as we have limited access to these facilities at present; however, in the event that you need to use the toilet whilst at the surgery, please speak to a member of staff.
- Finally, please attend your appointment alone, unless assistance is essential for you.
- **When attending the surgery we ask you to please wear a mask or face covering and DO NOT attend if you or any of your household or contacts have COVID type symptoms, or if you have been told to self-isolate.**
